- Bond money can be used to fund turf as capital, contingent on self-funding shade structure
- Received positive feedback and requests from teachers via Ms. Fahey & Romero and developed plan:
 - Phase 1: Umbrella Tables delivered this summer
 - Phase 2: South shade structure and turf to be assembled during summer
 - Phase 3 to be discussed at a later date, considering pollinating butterfly garden, art installations, etc.
- North courtyard won't facilitate a shade structure at a reasonable cost, due to the underground plumbing and electrical. North courtyard options to be revisited in the future.
- KSD's preferred vendor will be used to install shade structure, including evaluation by a structural engineer and a 15-year unlimited warranty
